

Automatic VISA/MC Drafting

Drafting does not carry over from one year to the next

Please re-enroll each year to ensure updated information on your account.

Dear Parents,

Automated VISA/MasterCard drafting is available to our Mt. Zion School families at no charge. With this service, your monthly fees can be automatically paid from your debit or credit card account without needing to come in to the school office. This automatic draft takes place on the **8th** of each month.

Please fill out a new form each year to ensure updated information on your account.

Your MZCS monthly billing statement, sent to you by the 1st of each month, will serve as notification of your draft amount for that month.

If you are interested in signing up for the VISA/MC Drafting program, please complete the following authorization form and return to the school office.

Thank you,
Suzy Neal
