The administration reserves the right to initiate policies on new fads and changes in style during the school year. We ask for the assistance of the parents in enforcing the dress code. If the dress code is not followed, parents may be required to bring appropriate clothes to the school so that their child may change before returning to class. If a student continually breaks dress code, they will lose the privilege of wearing certain items such as shorts and jeans and may be asked to wear twill type pants and collared shirts for a period of time.
